## SUMMARY:

Highly creative and versatile video editor and graphic designer with 2+ years of experience in creating visually stunning video content and graphic materials. Proficient in Adobe Creative Suite, including Photoshop, Premiere Pro, After effects, Illustrator and Microsoft Powerpoint. Skilled in all stages of video production and graphic design from concept development to post-production.

## WORK EXPERIENCES

### BANGALORE MEDTRAIN LLP

Video Editor and Graphic Designer | May 2022 - Present Bangalore

- My role involves creating engaging and dynamic video content that effectively communicates complex concepts to students.
- I am responsible for editing raw footage of lectures, interviews, and other instructional materials, applying effects, color grading, audio mixing, animation, motion graphics and filters to enhance the visual quality of the content, and adding soundtracks and music to improve engagement.
- Collaborated with subject matter experts and educators to understand the content and ensure that the final product aligns with the company's educational objectives.
- Creating visual designs, including logos, banners, brochures, and other promotional materials.
- Creating powerpoint presentations that effectively communicate key messages and data to the target audience, using various design techniques, such as color schemes, images, and typography, to create visually appealing and engaging presentations

### FIXX GROUP BANGALORE

Photo Editor | Oct 2019 - Mar 2020 Bangalore

- Used clipping path, background remove, photo retouching, photo masking, ghost mannequin, shadow making, color correction, head shot photo retouching
- Retouched high-level compositing hero assets for large campaign launches, digitally retouch, photo manipulation, pathing, and composites.
- Improve images to comply with company standards and customer requests using Adobe Creative Suite, required meeting hourly and daily image quotas.
